This is silly. I edited the entire document - she just made corrections. Is the report asking to scan and resubmit? Is this just the electronic version in the original submission?

Blair,

i rechecked this and the changes are made. The "submit" button can't be pressed until you sign electronically sign the cover letter. Then there is a button on the right hand corner that says "submit report to city clerk". If I press it, it asks me to sign the cover letter, which I can't do since I'm not you.

Call me if any of this doesn't make sense. I'm available until 3.

Karen

You have to "save" and "submit."

Karen corrected it a few days ago through the portal.

Karen - do you remember the day and time? Rita says it is not completed.

Hi Blair,

I haven't received the corrected report. Once the corrections are made, please be sure to save and submit. The system will then send me a notification of the submission for review.

Thanks.

Rita

Rita,

The report should be fixed so you will let us know if the disbursement will move forward once you receive? Patti sent it out yesterday.

Thank you!
